Remarkable Cure.

Mrs. M. H. Curtin, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking ten bottles, found herself sound and well, now does her own house work and is as well as she ever was—Free trial bottles of this Great Discovery at Blossom & Blossom store.

Portrait and Landscape Photographer.

D. C. Haws, the portrait and landscape photographer, has staked his blue tent on Humboldt Street, near the Haws house, where he is prepared to make cabinet to life size photographs at very reasonable figures. Views of residences will be taken. He will be here about a week.

Views of the procession on the 4th for sale now at Haws' Photo Gallery at 75 cents a piece.

I will stay but a few days longer. All wishing sittings should call at once.

The Enterprise, referring to a large strike made in the Oest mine, Silver City, says: Upon the strength of the report of a divining rod man, the management ran a drit to with in about two feet of rich ore extracted out of the winze below the tunnel level, when they lost faith and would go no further in that direction.

According to the last census bulletin the following is the present population of the six principal towns of Nevada:

Virginia	1890	1880
Canyon	8,511	10,917
Eureka	3,950	4,220
Austin	1,609	4,207
Tuscarora	1,215	1,679
Winnemucca	1,156	1,364
	1,037	763

Reno is not mentioned in the list.

Ferd Ried, of Winnemucca.

Capt. Ferd Ried has been appointed Deputy Internal Revenue Collector for the entire State of Nevada. A change has been made, so that now but one Collector will travel the State, dispensing with the services of Hoegh, of Eureka. Capt. Ried gives notice that licenses are now due and payable to him.

Blossom & Blossom have on hand a stock of gent's furnishing goods that is extensive and elegant, the like of which is not to be found this side of the Sierras. Suit after suit, of all sizes and for all ages, are piled six feet deep on their counter.

Well Recommended.

Mr. John Caragher, a merchant at Caragher, Fulton Co., Ohio, says that St. Patrick's Pills are the best selling pills he handles. The reason is that they produce a pleasant cathartic effect and are certain and thorough in their action. Try them when you want a reliable cathartic. For sale by Blossom & Blossom.

Key T. De Witt Talmage's New 'Life of Christ.'

A book which is sure to have great popularity and immense sale, both because of its interesting style and its superb illustrations, is 'From Manger to Throne,' a new life of Christ and a history of Palestine and its people, including Dr. Talmage's account of his famous journey to, through and from the Christ land. The work which is splendidly printed contains nearly 700 large-sized pages, 9x11 inches. It is illustrated with more than 400 grand illustrations, among which are accurate copies of nearly 200 of the famous paintings of the old masters, which it will do good, instruct and entertain—three things so few writers accomplish in a single volume.

In speaking of the work, the New York Herald predicts a sale of a million copies for the first year. This book will be sold only by subscription and agents are wanted, to whom liberal terms are offered.

The well known and enterprising publishers, the Pacific Publishing Co., 1236 Market Street, San Francisco, are the sole general agents for the Pacific Coast.

We call attention to their advertisement in another column.

The World Enriched.

The facilities of the present day for the production of everything that will conduce to the material welfare and comfort of mankind are almost unlimited, and when Syrup of Figs was first produced the world was enriched with the only perfect laxative known, as it is the only remedy which is truly pleasing and refreshing to the taste and prompt and effectual to cleanse the system gently in the Spring-time or, in fact, at any time, and the better it is known the more popular it becomes.

The Verdict Unanimous.

W. D. Sult, Druggist, Bippus, Ind., testifies: 'I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years standing.' Abraham Hare, druggist, Belleville, Ohio, affirms: 'The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters.' Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters cure all diseases of the Liver, Kidneys or Blood. Only half a dollar a bottle at Blossom & Blossom's.

Erick Pomeroy.

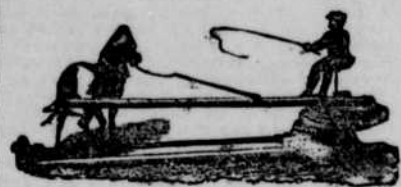

In 1880 'Brick' Pomeroy was laughed at for projecting a five mile tunnel in Colorado, to get into the very bowels of the great mineral deposits in that State, sixty miles west from Denver; but now, after driving more than one mile of tunnel through solid granite and reaching veins from which gold, silver and lead ore is being brought by the car load for the enrichment of those who had the courage and cash to invest.
